22 Park Avenue

is a high-energy, 18-piece big band
from the Philadelphia metropolitan area.

The band's repertoire includes classic arrangements
from the Big Band era - Glenn Miller, Count Basie, and
Stan Kenton, as well as more recent hits from groups
like Brian Setzer and Big Bad Voodoo Daddy.

A talented group of musicians from varied backgrounds,
22 Park Avenue has performed since 2002 for dances,
concerts, dinners, and parties.

We've performed in and around the Delaware Valley,
including the **Society Hill Sheraton** in Philadelphia, the
Delaware County Concert Series at **Rose Tree Park**,
the **Philadelphia Seaport Museum**, and many other
dance and music festival venues.

Director **Bob Curran**,
